2. The facts of this case are:

I Was Relocated by the Victim Assistance Project to get Away from Andre Fontaine And Family Who Started Stalking Me and Threatening Me for taking out a Warrant on Andre Fontaine. I Resided in Frederick Douglas Apartments Where I Was constantly Threaten, disrespected, Verabally and physically abused. I informed Management and the Land Lord of the Conditions I Was forced To live While a Tenant in Frederick Douglas Apartments. Landlord Joseph Informed Me To inform his Security Supervisor. Once informed Security Supervisor failed

To do any thing. IN FACT, said Security Supervisor was aware that several family members warranted in relation to the crime committed against me were hiding out in his friend's (Rodney's) house. One of my neighbors house. Copies of the arrest warrant and two (2) Peace orders on Andre Fortain was placed in the Rental office. I informed the Manager, Stephanie that several attempts were made on my life while living in said Apartment building. Due to my medical condition, Kidney Transplant Lung Disease, Chronic Pain in lower extremities, I could not have my live in aide move in and assist me. I am under Doctor's Orders to have to live in aide and the Housing

Authorized to pay for the additional bed room for the live in Aide. But because of the living conditions I was subjected to live under, I was afraid for my live in Aide's life. As a result of the deplorable conditions I was forced to live under, I was relocated to another Apartment Building on the other side of town. During my stay in Frederick Douglas Apartments I was hospitalized several times due to the things I was forced to undergo in Frederick Douglas Apartments. I received no help at all from Management, Security, or the landlord. I implore that the Court grant me the relief I seek.

Respectfully,
Merrill Fields
